

It is better to lead than to follow.	Travel opens your mind.	Embrace change. You cannot stop it.
Follow your heart to happiness.	Now is the time to start something new.	To have friends, be a friend first.
Live for today, but do not forget tomorrow.	A life with integrity is a life well lived.	Hold tight to your dreams.
Important events are coming your way soon.	Happiness will bring good luck to you.	Stop to smell the flowers along your path.
Your feet are planted firmly on the ground.	Find a way to shine in your own world.	A smile means the same in any language.
Your will travel where you never expected.	Remain honest in all your dealings.	Your circle of friends will only grow larger.
To be happy, you must decide to be happy.	Your friends value your advice. Give it wisely.	We cannot direct wind, learn to adjust your sails.
Simple pleasures are the best.	Lasting happiness comes from within.	See the beauty in all things.
Being wrong is not a failure.	Lose gracefully to win admirers.	Luck will come when you least expect it.
Be patient. Good comes to those who wait.	Take a fresh look on an old problem.	Love is in the air. And the water. And the soil. Look.
Treasure that which brings you pleasure.	Lead in your turn. Follow when needed.	Have the grace to admit your mistakes.
Forget yesterday. Tomorrow will be better.	Never let go of the love in your heart.	When you give, you gain far more than you give up.
Happy events are coming to your home.	A refreshing change is coming your way.	You can complete anything you undertake.
Your principles will lead you to success.	Enjoy the luck your companion brings you.	Confronting adversity is your strength.
Focus on accomplishments, not credit.	Jealousy closes doors you will need open.	Hone your competitive instincts.
Do not pursue happiness – create it.	You are loved. Remember that always.	Patience can be bitter, but its fruit is sweet.
You believe in the goodness of man.	A feeling is an idea with roots.	Stubbornness and persistence are 2 sides of a coin.
Two small jumps are better than one large leap.	You will win by doing what others have given up.	Never hesitate to tackle your toughest problem first.
When angry, your mouth opens and your eyes shut.	Your oldest friends are your best friends.	People enjoy you. Celebrate their love.
You are not a person who can be ignored.	He who climbs the mountain begins with one step.	There are no shortcuts on the path of success.
Don't find fault – find a remedy.	Some pursue happiness; you create it.	Life always gets harder near the summit.
Being happy is not always about being perfect.	With eyes open, you can see the future.	Hard work makes for a happy life.
Excuses are easy to manufacture but hard to sell.	You have a curious mind and a bright smile.	The time is right to make new friends.
A pleasant surprise is on its way to you.	Your smile brings happiness to those around you.	Stay true to those who would stay true to you.
